DETAILED ACTION

Requesting Continued Examination (RCE)

1. Receipt is acknowledged of the Requesting Continued Examination (RCE) filed 31 March 2006.

Allowable Subject Matter

2. Claims 71-83, 97-98 and 100-107 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The prior art of records to and all other cited references, taken alone or in combination, fails to teach or fairly suggest the specific structure or the method for attracting attention of an operator of a handheld optical reader comprising, among other things, a host processor having an associated display spaced apart from an optical reader, wherein the host processor sends to the optical reader a beeper control instruction to actuate the acoustic output device so that the acoustic output device emits a series of beeps without actuating the display, wherein the host processor sends to the optical reader a display control instruction to cause a predetermined indicia to be displayed on the display without actuating the acoustic output device as set forth in claims 71, 76 and 104; and wherein the host processor

sends to the optical reader a light source control instruction to cause the light source to direct light toward a target of the optical reader without causing actuation of the reader's imaging assembly as set forth in claim 98.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
